So the wall was completed on the twenty-fifth of Elul, in fifty-two days. When all our enemies heard about this, all the surrounding nations were afraid and lost their self-confidence, because they realized that this work had been done with the help of our God. ~ Nehemiah 6:15-16 KJV

Raise the Wall

Introduction

The book of Nehemiah tells a powerful story of the restoring nature of God and the struggle and victory of God's people. Nehemiah had a God birthed burden to rebuild the broken walls of Jerusalem and the situation seemed impossible. The reports were horrible. The enemy was surrounding him on every side. The circumstances were overwhelmingly against him and his people, but God gave him favor and provision from the king. God used his prayers and efforts to rebuild the walls of Jerusalem with 150 leaders in 52 days.

His story has been an inspiration to many of God's children going through difficult situations in their lives. Nehemiah is an Old Testament hero to our New Testament prayer covenant. When we are going through times of doubt, struggle, pressure, sickness, depression, attacks on family and finances we can turn to Jesus Christ through the power of prayer.

The Raise the Wall 52 day prayer journal is a challenge for you to give God 52 days to work in your situation and prayer life. These scriptures and inspirational quotes are meant to spark a powerful prayer life in you that the Bible promises you can walk in. I pray that the next 52 days God will turn things around in your life, family, church and city. I pray that through these pages a deep hunger for God's presence and an anointing to pray will come upon your life, like never before. God can restore your life and this nation if His people will humble themselves, repent and pray.

Dr. Shawn Patrick Williams

Since 1963 the prayer wall has been slowly dismantled in America. From the effort to take prayer out of schools, the effort to take the Bible out of our national heritage, the attack on freedom of speech as we know it, socialism is knocking on America's door and the moral fabric of our nation has been slowly unwound!

From 1963 until today, there has been a 500% increase in teen violence, a 400% increase in the occult, 50% of teens are having sex, 67% of teens that grow up in a Christian home leave the faith when attending a secular university, and more teens have lost their life to suicide than all the American combat casualties in the Vietnam war! Schools shootings are not uncommon on our universities any longer! The prayer wall has fallen around America! **Will you "Raise the Wall"?**

"Raise the Wall" is a multi-level prayer initiative that Warrior Nations has launched in the churches of America. Shawn Patrick teaches a seminar based out of the book of Nehemiah and lays out a simple multi-level prayer initiative for any church to apply with their congregation.

"So we built the wall, and all the wall was joined together...for the people had a mind to work." Nehemiah 4:6 KJV
